Dear Max:

I am very deeply interested in the proposal in your letter of January 23 and unless something unforeseen happens, I shall be with you, for at least a part of the meetings May 18-21, when you review the first ten years of the Center. I shall let you know later more definitely as the time for the meeting gets nearer.

At your convenience, you might let me know how your plans are developing and whether it would be worthwhile for me to come up even if I could only get away from here Friday afternoon.

Sincerely,

AWD
